### TOTAL COUNT:

- Number of laptops:
- Number of other devices (please specify how many of each different type of device)

## WAIVER FORM FOR DONATION OF ELECTRONICS

### ABOUT SONGA DEVELOPMENT INITIATIVE

Songa Development Initiative is a Community Based Organisation ("CBO", registered in Wakiso District, Kasangati Town Council #REG. NO. WCBO/25/182 that aims create opportunities for community transformation. Hence driving digital development and support education projects. Our project bring gently used computers and other electronic devices to young learners and disadvantaged children primary schools to aid and enhance their education and learning. Songa Development Initiatives core mission is to empower refugee and disadvantaged children to learn and thrive through self-paced, motivational electronic tools. For more on Songa Development Initiative visit [www.songadev.org](http://www.songadev.org).

Songa Development Initiative would like to thank you for donating your computers and electronic devices – those devices will allow refugee and vulnerable children to have access to education despite their social condition. Well-functioning and viable devices will be sent to recipient end users who are either NGOs or other private or public institutions that are working with refugee and disadvantaged children.

### REPRESENTATIONS AND WARRANTIES

Songa Development Initiative makes no representations or warranties whatsoever, expressed or implied, with respect to the usage of the computers and the electronic devices by the recipient end users starting from the time of delivery. Songa Development Initiative shall, in no event, be liable for direct, indirect, consequential, incidental losses, damages or expenses arising out of or in connection with the use of the computers and/or the electronic devices by the recipient end users.

Nonetheless, Songa Development Initiative will require each recipient end user that:

- They refrain from downloading any illegal software or programs on the donated computers and electronic devices.
- They ensure all computers and electronic devices provided by Songa Development Initiative are used ethically and in accordance with the applicable laws of the country where the items are delivered.

### WAIVER OF LIABILITY FOR CONTENT ON DONATED COMPUTERS AND ELECTRONIC DEVICES

While Songa Development Initiative will endeavour to ensure that all personal and/or proprietary content or information available on donated computers and electronic devices is erased before they are delivered to end users, Songa Development Initiative shall bear no liability for any content that may remain on the computers.

**EXPRESS ACKNOWLEDGEMENT OF THE DONOR.** By signing this WAIVER FORM, I, the donor expressly agree to waive any liability, responsibility or charges against Songa Development Initiative, its officers, directors, agents, administrators, volunteers, or employees for any content or information that may be on the donated computers or electronic devices.
